Evolution enters partnership with SBTech to provide Live Casino to turnkey solution Chameleon 360

Evolution Gaming, leading provider of Live Casino solutions, has entered a new strategic partnership with SBTech, UK regulated provider of online betting and gaming solutions. As a result of the deal, Evolution's Live Casino solutions will be integrated into SBTech's eGaming platform Chameleon 360.

SBTech has been providing sports betting solutions to top gaming operators since 2007. Their Chameleon 360 platform offers a 360 degree spectrum of management and control of their entire operation across multiple gaming product verticals via a single console management system.

Itai Zak, CEO of SBTech, said: "Through Evolution, we can add the world's widest selection of live tables to Chameleon 360's unparalleled offering. Players will encounter professional dealers in Live Casino games streamed in HD video to their devices, fluidly integrated with Chameleon 360's extensive offering across multiple providers, content and channels, all with a single sign on."

Sebastian Johannison, CCO of Evolution Gaming, said: "SBTech is highly regarded today as a leading provider of online gaming and betting solutions. We are excited to work with them to deliver our outstanding Live Casino product and huge array of customisation options, including dedicated environments, to an ever growing client base across multiple markets."
